## **RULES FOR SHELL SCHEME STANDS**

### **MINIMUM SPACE REQUIREMENT**

The minimum space for a shell scheme stand is 9 sq. meters.

### **PANEL MODIFICATIONS**

Painting or wallpapering of panels is not permitted. Exhibitors who wish to modify the panels must seek approval from the Official Stand Fitting Contractor and pay for the modifications

### **FIXING RESTRICTIONS**

No additional fittings, displays, nails, screws, or drilling are allowed on the booth structure. Any damage caused will result in penalties charged by the Official Stand Fitting Contractor.

### **FLAMMABLE MATERIALS & HEATING APPLIANCES**

The use of flammable materials for decoration is prohibited unless treated with a fire-retardant substance. - The use of heating appliances is strictly prohibited.

### **STRUCTURAL MODIFICATIONS**

- No suspensions from the hall ceiling, walls, columns, floors, or any building structure are allowed.
- Exhibitors must only utilize the inner stall area allocated to them for display purposes.

### **HEIGHT RESTRICTIONS**

- The maximum height for all fittings/exhibits is 2.5 m.
- Rear and side walls should be 2.5 m high.
- Structures or exhibits between 2.5 m and 4 m in height must: - Be approved by the Organizers.
- Maintain a minimum distance of 1 m from the rear, sides, and front of the stand.

### **NON-UTILIZED ITEMS**

Exhibitors will not receive financial credit for any shell scheme stand items that they choose not to use.

### **ADDITIONAL ITEMS & FURNITURE**

- Exhibitors must coordinate directly with the Official Stand Fitting Contractor for any additional furniture or fittings at an extra cost.

- Any disputes regarding additional items must be resolved directly between the exhibitor and the contractor.

- Exhibitors are liable for damages to any additional items they acquire.

### **ELECTRICITY SUPPLY**

Each 9 sq. meter shell scheme stall will be provided with a 0.5 KW power supply, including lighting load, free of charge.

### **ADDITIONAL FURNITURE AND ELECTRICAL ITEMS**

The price list for additional furniture and electrical fittings is available in the Additional Furniture List.
